

Parent Moose Message 9

Tiffany Melton, Principal

Lesley Runyan, Principal's Assistant

April 5, 2021

Last month we had many things to celebrate! Thank you for helping to pass the Instructional Levy. Also, thank you for supporting your children at Student Led Conferences! We had 98% attendance!

As we move towards spring we will have a few more events coming up. Each grade will have an opportunity for you to come and celebrate with us. More information coming soon!

LAST CALL

We are still accepting letters of interest for all board positions (President, Vice-President, Secretary, and Treasure). Please submit your letter to tiffany.melton@lakeland272.org by April 23rd.

This organization is vital to the culture of TLE. Please contact me if you have any questions.

We are beginning our 4th quarter! It is so amazing to see all of the growth students have made this year. I am very grateful we have been able to enjoy having students in person all year long. We will continue to teach and support your child as we move to the end of the year!

Bed Buddies

Student Service Learning Project By Emma Heinz

Bed Buddies is an opportunity to help create fun kits for kids in the hospital. Things like hats, stuffed animals, and fuzzy socks are things to make them feel cozy, hats help keep your head warm when you have no hair. Things like books, craft sets, and coloring books, are things to entertain kids when they're stuck in bed. We will be collecting donations throughout the month of April. If you would like to support the program please bring the following items to school.

Donations:

Kindergarten: Stuffed Animals

1st Grade: Coloring books and Crayons

2nd Grade: Books (from early readers to short chapter books)

3rd and 4th Grade: Fuzzy socks and Hats

5th and 6th grade: Craft Materials (slime, paint by number, color by number ect...)

Upcoming Events

4/5 School Resumes

4/14 Lions Club Vision/Hearing Screening

4/16 5th Grade Girl's Scoliosis Screening w/Nurse Marilyn

4/26 ISAT Testing Begins

- **My Professional Mission**

My goal is to do everything in my power to make children's lives better. That is what drives me. So my professional mission is... To empower educators to meet the diverse needs of their students through classroom support, professional development, and community connections.
