

## Parent Moose Message 6

February 4, 2019

We have another quarter behind us! Report cards came home on Friday or are available online through Skyward. Please let your child's teacher know if you did not receive the report or can not access it online. Our goal is to move to all online report cards next year. You should be very proud of the hard work your student is doing. Thank you for partnering with us in their education.

### Student Led Conferences

You should have received an email/skylert from me on today regarding the upcoming student led conferences. We are very excited for the students to show you all of their accomplishments. Our goal is for every student to have that one on one time with you to share with you their educational successes.

### Changes in the lunchroom

We are no longer able to microwave items for students who are bringing their lunch from home. Our expanding student population does not allow for our lunchroom supervisors to leave the cafeteria. We have a wonderful hot lunch program, served daily, if you are interested in those items. Please check out the menu and cost online at the Lakeland School District main page, under parent information.

### Yearbooks on sale now!

Order your 2018-2019 yearbook now. The cost is \$15. Please see Pam in the office or Mrs. Carlson for more information.

### Student Residency

To help us identify our homeless families so that we can offer support, please contact our admin assistant or school counselor if any of the following applies to your child's living arrangement:

- In a shelter or transitional housing
- With more than one family in a house or an apartment due to loss of housing or economic hardship
- In a temporary trailer, campground, car, or park
- In a hotel or motel

### Upcoming Events
