

You're Invited

Breakout Box* Night for intermediate grades

Thursday, November 21st

6:00-7:30

4th - 6th graders and their families

Sponsored by TLE Title 1

Pizza, drinks, and snacks will be served.

You will have one hour to complete your mission, should you choose to accept it...

It's almost time for Thanksgiving and you are getting super excited for the festivities and feasting. There's only one problem....grandma's secret pumpkin pie and turkey recipes have been locked away for safekeeping and no one can find the key! Work together to solve the clues that will help you find where the key was hidden. Perhaps you will find out where the key can be found so the cooking and feasting can go on as scheduled!

*Breakout Boxes are like an escape room in a box. This activity is aimed at upper elementary, but the whole family can participate.

Space is Limited!!
